

If you're interested in joining our dynamic group of volunteers, your time and talents would be greatly valued. We have volunteer positions to fit almost every busy schedule! Please mail this form today and our volunteer coordinator will contact you, or call 815-965-8146 for more information.

Come Grow With Us!

VOLUNTEER AT KLEHM ARBORETUM AND BOTANIC GARDEN

Whatever your background or interest, we'd love to welcome you as a volunteer! We have opportunities for experienced gardeners or novices, office assistants, educators, event planning committees and more. Whether you're available on a regular basis or can help with only one event or activity, come join our growing circle of volunteers!

Volunteering can help you blossom!

- Expand your knowledge about the plant world
- Learn how a botanical garden operates
- Participate in the growth of one of the area's most popular sites
- Gain experience for a career change
- Make new friends
- Discover new interests and abilities
- Enrich your life

Volunteers help the garden grow!

- Welcome visitors at the information desk
- In the gardens: plant, weed, water and prune
- Educate visitors of all ages
- Help out in the library
- Promote garden development
- Assist staff with office work
- Help with any of our special events
- Attend speaking engagements
- Initiate new programs
