

FOUNTAIN GARDEN PROMENADE GIFT BRICKS

The Fountain Garden Promenade

The Promenade was installed in 2009 to enhance the beautiful Covered Gazebo located in Klehm's Fountain Garden.

Ten rows of clay bricks are now available for special engraving. A personalized brick is an ideal way to commemorate a life or celebrate a special moment. An engraved brick can make a unique, memorable gift for weddings, birthdays, anniversaries and other occasions!

Klehm Arboretum and Botanic Garden is a 155-acre "living museum" filled with spectacular gardens and rare trees. There's beauty in every season from fragrant magnolia trees in spring and a butterfly garden in summer to the brilliant colors of fall and snow-capped evergreens in winter.

A 1.8 mile, handicapped-accessible paved path winds through the arboretum plus many secondary, chipped trails. Kids will have fun navigating the maze in the Children's Garden. Filled with botanic beauty, Klehm Arboretum & Botanic Garden is waiting for you to explore.
