

Klehm Arboretum and Botanic Garden is a 155-acre "living museum" filled with spectacular gardens and rare trees. There's beauty in every season from fragrant magnolia trees in spring and a butterfly garden in summer to the brilliant colors of fall and snow-capped evergreens in winter.

A 1.8 mile, handicapped-accessible paved path winds through the arboretum plus many secondary, chipped trails. Kids will have fun navigating the maze in the Children's Garden. Filled with botanic beauty, Klehm Arboretum & Botanic Garden is waiting for you to explore.

Gifts that enhance the diversity and beauty of Klehm Arboretum & Botanic Garden

Commemorative Tree Gifts – \$800 and up

Commemorative trees are newly acquired trees purchased in honor or memory of a family member or friend, an organization, or for a special occasion. The cost of commemorative trees is determined by the species and size of the plant. We will be happy to recommend a tree species and location that will diversify the existing collection and enhance the natural beauty of the Arboretum.

Tribute Tree & Shrub Gifts – \$250 and up

Tribute trees and shrubs are those which are already in our plant collections. Tribute shrub prices begin at \$250 and tribute tree prices at \$500. The price for large, prominent specimen trees may be in the range of \$2,500 – \$10,000.

Pricing is determined by Klehm's Collections Committee, taking into consideration the size, health, prominence and rarity of the specimen.

Since trees are living organisms that need replacement from time to time, commemorative and tribute trees and shrubs are guaranteed for a period of seven (7) years. The intent of the Arboretum is to maintain select species for their entire life-span, yet longevity of plants vary with the species and environmental conditions.
