

KLEHM
ARBORETUM & BOTANIC GARDEN

Klehm Arboretum and Botanic Garden is a 155-acre “living museum” filled with spectacular gardens and rare trees. There’s beauty in every season from fragrant magnolia trees in spring and a butterfly garden in summer to the brilliant colors of fall and snow-capped evergreens in winter.

A 1.8 mile, handicapped-accessible paved path winds through the arboretum plus many secondary, chipped trails. Kids will have fun navigating the maze in the Children’s Garden. Filled with botanic beauty, Klehm Arboretum & Botanic Garden is waiting for you to explore.
