*Whether you have 25 or 300 guests* Klehm is the ideal place to celebrate your new life together.

Klehm's most popular wedding site, the **Fountain Garden**, can seat up to 300 guests. The elegant Covert Gazebo is the perfect site for your ceremony. With a vine-covered trellis and lush flowering plants, the Covert Gazebo provides a stunning backdrop for your wedding pictures. A cascading fountain completes the ambiance of your day.

The **Gallery** located inside Klehm's Visitor's Center can seat up to 225 guests for dining and dancing. Glass sliding doors lead to an adjoining outdoor patio space with additional seating. The ceiling is rimmed with twinkle lights entwined with grapevines add to the ambience of your reception.

For a more intimate wedding we recommend our shaded **Bridge & Pond** area. Imagine a water garden flowing through a series of shallow pools into a koi pond dotted with colorful lily pads. Add a picturesque wooden bridge just perfect for a group photo, and you're there.

## PLANNING YOUR WEDDING

*Klehm will work with you* to make your wedding a truly memorable occasion. Ask about these options to enhance your special day:

- Extend your reception until midnight, for Friday or Saturday weddings
- Day before setup for your reception
- Rent our five passenger Blossom Buggy, driver included
- On a budget? Ask about our special Friday and Sunday rates
- Purchase an engraved brick in the Fountain Garden to commemorate your special day
- If you are planning an indoor wedding but also want great outdoor pictures we offer a 1-hour photo session on Klehm's beautiful grounds

Outdoor weddings assume a certain level of risk dependant on the weather. Klehm is unable to provide an alternate site. Couples may opt to have a second location available.

Please remember that Klehm Arboretum & Botanic Garden is a public garden and therefore, open to the public. Visitors often enjoy observing wedding ceremonies and our staff will guide them to an appropriate location for viewing.
